Our Work and Workers.

AS WE come to celebrate the 20th Anniversary of our Woman's Home and Foreign Missionary Society, it is fitting that we take a glance over our fields of work, home and foreign, and watch for awhile our busy workers. Even this cursory view may serve to remind us of the toil and hardship they are bearing in our stead, and may lead us to deeper interest in their work, and more fervent, constant prayer for them.

These 20 years have been fruitful in work for Christ, both at home and abroad, and we are thankful and rejoice over the good accomplished "In His Name."

In the home field, our missions at Freeport, Ill., San Francisco and Los Angeles, Cal., have become self-sustaining and we now help to support the following: Denver, Col.; Sacra-

mento, Oakland, San Jose, Riverside and Alameda, Cal.; Council Bluffs, Ia.; Ann Arbor, Mich., and Scranton, Pa.

In the foreign field in India, we have six lady missionaries—Dr. Anna S. Kugler, Miss Katherine Fahs, Miss Jessie Brewer, Dr. Mary Baer, Miss Anna E. Sanford and Miss Mary Knauss. Dr. Kugler, Dr. Baer and Miss Fahs are engaged in the medical work, which will be greatly enlarged when our fine hospital is fully equipped and furnished. The other ladies are teaching in the schools and zenanas. Mrs. L. B. Wolf has for several years past been actively engaged in the school work, and Mrs. J. H. Harpster has had charge of the Mohammedan Industrial School. The wives of all our missionaries assist in the work as they have opportunity.

We have one Boarding School, with 96 pupils, 15 day schools, including the Training, Industrial and Mohammedan schools, with 813 pupils, and 14 Sunday schools, with 705

pupils. These have 11 Bible teachers and 63 other helpers and teachers. There are also 100 zenana pupils and 64 other learners; homes visited the last year, 141; teachers, 8.

The last report of the medical work is as follows: 9 patients in the hospital, 5,400 patients in the dispensary, 13,000 visits of patients, 241 patients in homes, 873 visits to homes; 8 helpers.

In Africa, we support two missionaries, Sister Augusta Shaffer and Miss Mary Van Leer. They are engaged in teaching the girls in the Emma V. Day Memorial School.

The General Literature Committee sends forth this little souvenir with the prayer that bringing us face to face, as it does, with our work and workers, it may inspire us all with a more personal interest in our missionaries, and more self-denying, consecrated effort for the extension of Christ's Kingdom.
